Dear Mr. Woodcock:

Re: Correspondence on Anaconda Company's Carr Fork Mine, M/045/004, Tooele County, Utah

Enclosed please find, per your telephone request received today, correspondence on Anaconda's Carr Fork from 1986 until reclamation release in August of 1990. You stated you were on a budget; therefore, I did not include any correspondence for the Carr Fork that did not pertain to Anaconda Company.

As stated to you on the phone, the charge for this copy service is \$.25 per copy. There are 85 copies so the total will equal \$21.25. Please remit this to my attention, referencing file number M/045/004.

Sincerely,

A handwritten signature in cursive script that reads "Joelle Burns".
